ESTABLISHED TWENTY-ONE YEARS

## Cures Nervousness and Craving for Liquor Drugs, and Tobacco

Alcohol paralyses the nerves, impairs the function of the brain cells and their diseased condition is the result. The Keeley Cure recognizing this diseased condition, believes that time is required for it's cure, as with any other disease. No apomorphia or other nauseant drugs are used at any time. The general health improves from the beginning, the nervous system is built up, the nerve cells restored to their original im poisoned condition, and the craving for alcohol eliminated.

The Keeley Institute at 706 Fourth St., Des Moines, Iowa,  
is the only Keeley Institute in Iowa, and the only

4. **Advertising**, Retail and General.
5. **Business Letter Writing**, how to become an expert correspondent.

We have twice as great a demand for men to fill the positions under these five heads, as we can possibly supply.

Give us an opportunity to show you how to fit yourself for the position you desire at a salary of from one hundred to three hundred dollars a month.

One year ago one of our students was a bank clerk at \$35 a month, now he is a Salesman and making over \$200 a month and is only twenty-five years old. Let us show you how you can do likewise. Don't you want to be shown? Then see us at once.
